

WAYNE WRESTLING
'A COMMITMENT TO EXCELLENCE'
SECTION V CLASS CHAMPIONS
1982 2001 2003 2004

Dear Wayne Alumni/Friend of Wayne Wrestling,

As we prepare for the upcoming 2004 - 2005 season we want to catch you up on what's going on in our program. This past season was one of the most successful in the history of the program. We finished with an 8 - 2 record in dual meets, winning five tournaments and achieving a final New York state ranking of #2. We won the first ever Class A sectional title, with eight finalists, five champions, and three state tournament representatives. Two of our wrestlers, Nathan Patterson (3rd) and Joe Zaso (4th) placed in the New York state tournament to cap a great year.

We have included a copy of our schedule for the season in the hope that you can find the time to get to a match or two. Our Alumni Night will be held on December 23rd. We will face our old friends from Pal-Mac in what promises to be an exciting match. As always, all alumni will be admitted free of charge and recognized before the match. Please arrive early and sign in. Another highlight will come when we host the Class A sectional tournament on February 18th and 19th.

This year's team will be a mix of some veteran performers and several young men who are looking to make their mark in the great tradition of the program. We will be led by seniors Nate Patterson, Luke Baum, Scott Prinsen, Vinnie Bianchi, Brett Klem, Grant Gurnett, Jake Zaborowski, and Gus Zaso. Other returning letter winners include Jeff Marianetti, Steve Singley, Mike Roselli, Josh Patterson, John Marvin, and Ryan Lamagra. This team will start the season ranked in the top five in New York state and has been recognized with Honorable Mention status in a recent national poll.

We're looking forward to seeing you this season. Hopefully, wrestling at Wayne Central played an important role in your school career. Come on out and support the current team as we continue the tradition of excellence that you helped establish!

Sincerely,
Scott Freischlag
Head Coach
